## Our Upcoming Week

10/6	Show and Share Day
10/6	PTA Yankee Candle Sale Ends
10/9	No School (Columbus Day)
10/10	No School (Teacher Inservice)
10/11	Project Harmony Day
10/12	Science Test (Matter)
10/13	Math Unit 1 Test

## Our Learning

Science- implementing the scientific method, identifying mixtures/solutions and physical/chemical changes

Math- reading bar graphs, applying basic multiplication and division strategies, measuring mass

Writing- writing with complete sentences and paragraphs, nouns and pronouns, creating strong endings

Word Work-double -o vowel patterns as in proof, hook

Reading- identifying literary (fiction) elements, summarizing

## Home-School Connection

We earned a Show and Share Day on Friday, 10/6 as a result of filling our class bucket. Students can bring in something special to them and appropriate for school that can fit in their backpack.

## Reminders

Please sign up for a conference on either 10/19 or 10/20. Available times can be found at <http://tinyurl.com/parkhillsconf>  
Thank you to those who have already signed up!

Thank you again to those who were able to visit our classroom last week! We know some of you were there in spirit.
